

Julie T. Li-Yu, MD, MSPH

Faculty of Medicine and Surgery
University of Santo Tomas
España Blvd, Sampaloc
Manila, 1008 Metro Manila
Philippines
jtli-yu@ust.edu.ph

EDUCATION

B.S. Medical Technology - University of Santo Tomas
Doctor of Medicine - University of Santo Tomas
Master of Science in Public Health – Major in Biostatistics – UP Manila, CPH

TEACHING EXPERIENCE

Initial employment in UST: 13 June 2001
Date Tenured in UST: 7 July 2004
Last promotion in UST: June 2012
Current Position: Associate Professor II, UST Faculty of Medicine & Surgery (FMS) since 2021
Chief – Section of Rheumatology, USTFMS 2020
International Health Policy Module Leader, UST FMS Master of Public Health International (MPHI)

CLINICAL EXPERIENCE

Residency in Internal Medicine, Chinese General Hospital & Medical Center
Fellowship Training In Rheumatology & Clinical Immunology, University of Santo Tomas Hospital
Research Fellowship Training in Rheumatology, University of Pennsylvania, Philadelphia, Pennsylvania, USA
Active staff – Department of Medicine - University of Santo Tomas Hospital since 2003
Active staff – Department of Medicine – Chinese General Hospital & Medical Center since 2000

HONORS AND DISTINCTIONS

1. Life Fellow, Philippine College of Physicians 2018
2. Life Member, Philippine Medical Association
3. Life Member, Manila Medical Society
4. Philippine College of Physicians Exemplar in Clinical Research 2014
5. Recipient of International Publication Award 2008-2010 given by UST Office of the Vice-Rector for Academic Affairs and Research, August 29, 2012
6. Japan College of Rheumatology 2006 International Scholarship Awardee in Nagasaki Japan, Apr 24-26, 2006
7. Clinical Research Fellow 1999- Asia Pacific League of Associations for Rheumatology (APLAR) in Hospital of the University of Pennsylvania, Philadelphia, Pennsylvania, USA under Prof. Ralph H. Schumacher Jr., MD

PROFESSIONAL MEMBERSHIP

Asia Representative – International Society for Clinical Densitometry since 2017
Treasurer, Rheumatology Educational Trust Foundation, Inc. (RETFI) since 2004
Ad Hoc Committee on Health Policy and Government Engagement of PRA – since Feb 2016
Chair – Osteoporosis Special Interest Group of PRA - since Feb 2019
Immediate Past President, Osteoporosis Society of the Phils Foundation, Inc. (OSPFI) 2017– 2021

Immediate Past President, Philippine Rheumatology Association (PRA) Feb 2020

Vice-President – Philippine Rheumatology Association (PRA) Feb 2016-Feb 2018

Vice-President – Osteoporosis Society of the Phils Foundation, Inc. – Oct 2014 – Oct 2016

Co-Chair – Philippine Specialty Board of Internal Medicine - Philippine College of Physicians – June 2017-May 2018

Member – Philippine Specialty Board of Internal Medicine of Philippine College of Physicians – June 2015-May 2018

Treasurer, Osteoporosis Society of the Phils Foundation, Inc. (OSPFI) 2004-2014

Board of Directors – Philippine Rheumatology Association (PRA) 2012 – 2014

Chair – Research Committee of PRA – 2012-2014

Ad Hoc Committee Member, Bone and Joint Decade, PRA – 2008-2010

Member, PRA Research Committee – 2008-2010

Treasurer, Philippine Rheumatology Association (PRA) 2006 – 2008

Executive Council Member – Asian Federation of Osteoporosis Societies 2022-2024

Overall Organizer – 2021 OSPFI Annual Virtual Meeting October 4, 11, 18, 25, 2021

Overall Organizer – Webinar series of USTFMS and USTH Section of Rheumatology in celebration of USTFMS Sesquicentennial Foundation celebration August 7 and 14, Sept 4, November 27, 2021

Scientific Chair and Organizer – 6th Asian Federation of Osteoporosis Societies Meeting 29-31 August 2019, Century Park Hotel Manila

Faculty – 25th ISCD Annual Scientific Meeting 19-23 Mar 2019 Kuala Lumpur, Malaysia

Editorial Board Member, Journal for Medicine University of Santo Tomas (JMUST) – since 2016

Member – Asia Pacific Panel representing Philippines in International Society for Clinical Densitometry 2017-2020

Peer Reviewer – Journal of ASEAN Federation of Endocrine Societies since 2012

Overall Organizer – IOF/ISCD Bone Densitometry Course in partnership with Osteoporosis Society of the Phils Foundation, Inc. 9-11 October 2017, Acacia Hotel, Alabang, Muntinlupa

Over-all Chair, Organizing Committee 23rd Phil Rheumatology Association Annual Convention 23-26 Feb 2017, Conrad Hotel, Pasay City

Overall Organizer and Chair, Local Organizing Committee – 2nd ISCD/IOF Bone Densitometry Course Oct 15-17, 2014, Marco Polo Hotel, Ortigas Avenue, Mandaluyong City

Scientific Committee Member – 16th Asia Pacific League of Associations for Rheumatology Congress “Sustainable Rheumatology in Asia”, 31 March – 4 April 2014, Radisson Blu Hotel, Cebu city, Philippines

Co-Chair, Organizing Committee “Clinical Problem Solving in Arthritis and Lupus, a Postgraduate Course” Nov 24, 2013, 27th Floor Constellation Room, Diamond Hotel, Phils

Overall Chair, Organizing Committee – 2nd Postgraduate Course Department of Internal Medicine, CGHMC “Controversies, Guidelines, and Hot Topics in Internal Medicine” Sept 12-13, 2013, Manila Diamond Hotel, Phils

Overall Co-Chairman, Organizing Committee – 1st Postgraduate Course Department of Internal Medicine, CGHMC “Novel Approaches to Timeless Diseases” Sept 1-2, 2011, Manila Diamond Hotel, Phils

Scientific Committee Chair – 31st Postgraduate Course, Dep’t of Internal Medicine, UST Faculty of Medicine and Surgery and University of Santo Tomas Hospital “Understanding Squabbles, Solutions, and Trends in Internal Medicine” Oct 23-25, 2013, Manila Diamond Hotel, Roxas Boulevard, Manila

Assistant Course Director, Asian Lupus Summit “Improving Outcomes, Improving Lives” 29-30 November 2012, EDSA Shangri-La Hotel, Manila, Philippines

Overall Organizer and Chair, Local Organizing Committee – 1st IOF Bone Densitometry Course and Certification Exam October 2011, Century Park Hotel, Pasay City

Overall Organizer and Chair, Local Organizing Committee – 1st ISCD Bone Densitometry Course and Certification Exam October 2007, Century Park Hotel, Pasay City

Member – Scientific Committee – 2008 PCP Annual Convention May 4-8, 2008, SMX Convention

PROFESSIONAL ACTIVITIES

Section Head – Rheumatology – UST Faculty of Medicine and Surgery since 2020

Chief – Section of Rheumatology – CGHMC since 2004

Head – Rheumatology Center (formerly Joint & Bone Center), UST Hospital since 2006

Chairperson – Department of Medical Education and Research (DMER) – CGHMC - Jan 2016 – Dec 2022

Research Coordinator, Department of Medical Education and Research (DMER) – USTH June 2015 – Sept 2018

Associate Director of Dep’t of Medical Education and Research (DMER) – CGHMC Oct 2014 – Dec 2015

Chair – Institutional Review Board – Chinese General Hospital and Medical Center – Aug 2015 – March 2016

Vice-Chair, Institutional Review Board – Chinese General Hospital and Medical Center – 2012- 2015

Member, Credentials and Privileging Commission – CGHMC – 2014-2019

Executive Secretary – CGHMC Department of Medical Education 2012 - 2014

Member, Committee on Research, CGHMC DMER 2008-2014

Member, Institutional Review Board – Chinese General Hospital and Medical Center 2009 – 2018

Member, Institutional Review Board – UST Hospital 2010 - 2014

Chair – Research Committee – USTH Department of Medicine 2008-2012

Chair – Research Committee - CGHMC Department of Medicine 2005- 2012

Research Committee Member – UST Dep’t of Medicine 2004 – 2005

Faculty Development Committee Member – USTFMS 2003 -2006

Chair – Post-Graduate Internship Program, CGHMC 2008-2011

Asst Chief, Joint & Bone Center, UST Hospital – 2005 -2006

Fellowship Training Officer, UST Hospital Section of Rheumatology 2002 – 2005

- 44). Normative Bone Mineral Density Values in Filipino Women. Torralba TP, Tan-Ong MY, Navarra STV, Dy SH, Saavedra SC, Bermudez CC, Mercado-Asis, Llamado LJQ, Li-Yu, J. *APLAR Journal of Rheumatology* 2004;7:30-37.
- 45). Calcium apatite crystals in synovial fluid rice bodies. Li-Yu J, Clayburne GM, Sieck MS, Walker SE, Athreya BH, Dehoratius RJ, Schumacher Jr HR. *Annals of Rheumatic Disease* 2002;6: 387-390
- 46). Treatment of chronic gout. Can we determine when urate stores are depleted enough to prevent attacks of gout? Li-Yu J, Clayburne G, Sieck M, Beutler A, Rull M, Eisner E, Schumacher Jr HR. *Journal of Rheumatology* 2001;28:577-80
- 47). Determination of normative bone mineral density values among Filipino women. Torralba TP, Navarra STV, Saavedra SC, Bermudez CC, Asis LM, Llamado LQ, Li-Yu J. *Phil J Int Med* 2001;39:31-37
- 48). Invasive tophaceous pseudogout of the temporomandibular joint. Misdiagnosis as a tumor. Li-Yu J, Schumacher Jr HR, Gratwick G *Journal of Clinical Rheumatology* 2000;6:272-77
- 49). Successful use of diltiazem in calcinosis caused by connective tissue disease. Torralba TP, Li-Yu J, Navarra STV. *Journal of Clinical Rheumatology* 1999;5:74-78
- 50). Chlamydial nucleic acids can be demonstrated in blood monocytes in patients with chlamydia associated arthritis. Habre W, Zhang H, Wang GF, Li-Yu J, Schumacher Jr HR *Arthritis & Rheumatism* 1999;42:9 (supplement):S335

Clinical Trials Experiences/Trials:

1. Principal Investigator - A Phase II, Randomized, Double-Blind, Placebo-Controlled Dose-Ranging, Parallel and Adaptive Study to Evaluate the Efficacy and Safety of Enpatoran in Systemic Lupus Erythematosus and in Cutaneous Lupus Erythematosus (Subacute Cutaneous Lupus Erythematosus and/or Discoid Lupus Erythematosus) Participants Receiving Standard of Care – to commence August 2022
2. Principal Investigator - A Phase II, Multicenter Randomized Double Blind Placebo Controlled Dose-range finding study to evaluate safety and efficacy of ALX0061 administered subcutaneously in subjects with moderate to severe active systemic lupus erythematosus (closed)
3. Principal Investigator - A three-year extension study to evaluate the long term efficacy, safety and tolerability of secukinumab in patients with active psoriatic arthritis. Protocol No. CAIN457F2306E1 (concluded)
4. Principal Investigator - A 24-week with possible extension, prospective, multicenter, randomized, double-blind, controlled, 3-parallel groups, Phase 2b/3 study to compare efficacy and safety of masitinib at 3 and 4.5 mg/kg/day to methotrexate, with a randomization 1:1:1, in treatment of patients with active

- rheumatoid arthritis with inadequate response to 1. methotrexate or to 2. any DMARD including at least one biologic drug if patients previously failed methotrexate or to 3. methotrexate in combination with any DMARD including biologic drugs (early termination)
5. Principal Investigator – Multicentre study for the evaluation of efficacy and safety of buprenorphine transdermal patch (norspan or sovenor transdermal patch) in patients with non-malignant pain of moderate to severe intensity due to osteoarthritis, rheumatoid arthritis, lower back pain and joint/muscle pain, when an opioid is necessary for obtaining adequate analgesia (concluded)
 6. Principal Investigator – Prospective Randomized Evaluation of Celecoxib Integrated Safety vs 11 Ibuprofen or Naproxen (PRECISION Study) (concluded and published in New England Journal of Medicine 2016)
 7. Principal Investigator – A Phase III Randomized, Placebo-Controlled Clinical Trial to Assess the Safety and Efficacy of Odanacatib (MK-0822) to Reduce the Risk of Fracture in Osteoporotic Postmenopausal Women Treated with Vitamin D and Calcium (concluded)
 8. Principal Investigator – Extension Study: A Phase III Randomized, Placebo-Controlled Clinical Trial to Assess the Safety and Efficacy of Odanacatib (MK-0822) to Reduce the Risk of Fracture in Osteoporotic Postmenopausal Women Treated with Vitamin D and Calcium (concluded)
 9. Principal Investigator - A randomized, double-blind, parallel group, phase I study to evaluate initial Pharmacokinetics, Efficacy and Safety of CT-P13 with Remicade both administered in combination with methotrexate.(concluded)
 10. Principal Investigator – A randomized, double blind, placebo-controlled, multicenter study of secukinumab to demonstrate the efficacy at 24 weeks and to assess the long term safety, tolerability and efficacy up to 2 years in patients with active psoriatic arthritis (concluded)
 11. Principal Investigator – A Phase 3 Multicenter, Randomized, Double Blind, Placebo-controlled study to evaluate the efficacy, safety of subcutaneous LY2127399 in patients with systemic lupus erythematosus (ILLUMINATE trial) (concluded)
 12. Principal Investigator – A Phase 3, Randomized, Double-blind, Multicenter Active Controlled Trial to evaluate the safety and efficacy of Celecoxib and Indomethacin in the treatment of moderate to severe acute gouty arthritis (2009) (concluded and published – Journal of Rheumatology 2012)
 13. Principal investigator – A Phase 3, Multicenter, Randomized, Double-blind, Non-Steroidal AntiInflammatory Drug (NSAID)-Controlled Study of the Long-Term Analgesic Efficacy and Safety of Tanezumab in Patients with Osteoarthritis of the Knee or Hip (2009-2010) (early termination)
 14. Principal Investigator – Effect of high calcium milk in markers of bone turnover among postmenopausal women (concluded)
 15. Secondary investigator – Etoricoxib vs Diclofenac sodium Gastrointestinal Tolerability and Effectiveness I and II (concluded and published)
 16. Secondary Investigator – Efficacy and Safety of Etoricoxib in Acute Gouty Arthritis (concluded and published)
 17. Secondary Investigator – Phase IV Clinical Trial of Golimumab in Rheumatoid Arthritis (concluded)
 18. Secondary Investigator – RCT on Belimumab in Systemic Lupus Erythematosus (concluded)
